

TSN

2019 PREVIEW

Industry Analysis and Trends

- Lots of consolidation.
- Larger companies getting larger, smaller companies getting smaller.
- Barriers to entry are increasing. Warehouses, brands, fitments, inventory, information systems etc.
- More innovation in finishes.
- More diversity in truck applications.
- Van market increasing. (Sprinter, Transit, etc.)
- Lifted everything.
- Data integration is becoming more common.
- Deliver times are shortening; 48 hours is becoming the expectation.
- Electric car market is growing.
- Tariffs.

Warehouse Updates
